## **My Tell-All** L.A. Justice

Author L.A. Justice didn't decide to become a tabloid reporter. Her long and winding journey has taken her from New York City—where she began her career as a copywriter for Macmillan Publishing Company—through her years as a social worker, potter, bartender, wife, mother, divorcee and legal secretary in Florida, before finally returning to her true passion of writing, spending two decades at the Florida-based tabloids. This funny and honest revelation shows a woman who must constantly reinvent herself. My Tell-All is a must-read memoir that reveals an insider's view of the world of tabloid journalism.
