Norah Cooper has never let her skin, or her sex, stop her before. She's worked night and day, determined to become the top financial analyst at her firm, Bentworth & Wexler. And it has finally paid off. There's an opening for a new partner, and it's got Norah's name on it. Why else would her two bosses, billionaires Jacob Wentworth and George Wexler, call her in to a private meeting?

When she arrives at the executive suite however, she finds out the promotion is assured, and they're more focussed on Norah and her fertile curves. All she has to do is decide: whom would she like for her bonus? Jacob... or George? Or will she pick the best choice of all: both of them at once!
