# My First Story Reader and 3 Interactive Books: Baby Einstein

*Editors of Publications International, Ltd.*

**My First Story Reader and 3 Interactive Books: Baby Einstein** Editors of Publications International, Ltd. Created by developmental education experts, My First Story Reader and 3 Interactive Books: Baby Einstein reads Baby Einstein stories to babies and toddlers ages six months to three years. It uses two distinct play options that teach the first steps to reading, sound identification, matching, shapes, and colors.

In the Read to Me mode, just turn the pages to hear a friendly narrator. Fun sounds and lively music make the poems come to life, and the last page of each book features a beloved children's song. In Activity Mode, your child can press the three big buttons to answer simple questions about colors, shapes, and more.

My First Story Reader and 3 Interactive Books: Baby Einstein has a lightweight, portable design featuring magnetic closure and a convenient carrying handle. Three spiral-bound Baby Einstein books are included, each with sturdy board pages that hold up to rough handling:

Discover Music introduces your child to musical instruments like the piano, violin, tuba, and more.

Discover the Sky features airplanes, clouds, birds, the moon, and stars. At the end of the book, your child can sing along with a children's chorus to Twinkle, Twinkle, Little Star.

Discover Colors shows your child everyday items that are red, orange, yellow, green, blue, and lavender.

This book, from the popular Story Reader series, requires AAA batteries that are included. My First Story Reader and 3 Interactive Books: Baby Einstein conforms to the safety requirements of ASTM F963-03, EN71, and the safety requirements of Canadian Hazardous Products (Toys) Regulations.
