Think and Grow Rich, Updated and Complete - With If You Can Count to Four. . . Dr. Robert C. Worstell

Having sold somewhere over 37 million copies, Napoleon Hill was constantly working to improve his bestseller. Until recently, it still contained a flaw which kept many people from fully realizing the book's promise. James Breckenridge Jones taught Hill's work and developed the missing formula which could help anyone become a millionaire - and built a national business in just four years that put tens of thousands on the road to personal prosperity and abundance. In fact, this book has been known as the textbook for millionaire makers - and has been used to train the likes of Jim Rohn, Zig Ziglar, Tony Robbins, and Mary Kay Ash - each of which became multi-millionaires in their own right. This collection was created with your own prosperity in mind. If you learn, study, and apply these natural laws and principles, there is no limit to achieving your dreams. You can be anything you've ever wanted to be. You can have any thing you've ever wanted to have. Get Your Copy Today!
