AP Success - Biology, 5th ed (Peterson's Master the AP Biology) Peterson's

Each year, ambitious high school seniors take at least one AP exam in hopes of getting a head start on their college career. Peterson's AP Success Biology provides complete test preparation for one of the more popular AP exams taken by students during their junior and senior years in high school. This book covers all major test topics--from atoms and compounds to behavior and ecology--that students will encounter on this exam which is taken by more than 75,000 individuals each year. Detailed reviews of subject principles allow students to fully understand the skills that will help them score well on the test. Peterson's AP Success Series includes the features that are the hallmark of Peterson's Test Success series: Red Alert test-taking strategies, flexible study planning, user-friendly design geared for the high school student, and answers with comprehensive explanations for all test items.
