This feisty cowgirl can't be tamed—at least not by one man.

Barrel-racer Bella Roberts is winning every competition she enters. She's at the top of her game and has her sights set on the rodeo finals. So why should she slow down long enough to glance at the cowboys tripping over themselves to get to her? If you've had one rodeo guy, you've had 'em all. Besides, she's determined to live up to her reputation, and bad girls don't settle down.

The feisty Bella has been giving Carter blue balls since he'd walked into an arena and clapped eyes on her. There's nothing sexier than a woman who handles a horse with such grace and skill, and her feminine guiles are definitely working on him. He's been trying to sweet-talk Bella into his hotel room for weeks but can't land more than a kiss.

Quint knows exactly what Carter's up to. It's totally obvious his friend is putting himself in Bella Roberts' path. But Carter won't get anywhere because Quint already has. And after that first hot-as-sin kiss, all he can think of is the sultry cowgirl. She won't let him any closer, but her sassy mouth and brazen attitude just need a firm hand. Good thing he has two—and a lot of rope.

Bella's in a sticky situation in the middle of team roping partners Carter and Quint. And now that they know she's been toying with both, they share the same goals in and out of the arena—to have her. Together. Oh, she'll let them try, all right. But don't they realize she can't be bridled?
