Mail Order Bride: Sent by God to the California Cowboy is about a young woman in New York City who has fallen onto hard times after being released from the orphanage she had been in for a majority of her life. Two kind women take her into a halfway house, but there is reason for her to leave New York immediately.

The only way the women feel they can keep her safe is to ship her off to California where their nephew, they tell her, needs a good housekeeper and cook for his ranch. When she meets Seth, she quickly learns that his understanding of the situation is very different.
