Here is Powerful Advice from a Great Woman of Spirit and Soul, Who is Teaching the World How to Stand on Their Own Spiritual Feet.

For the past 40 years, Rev. Johnnie Colemon has preached a single message, God's desire for everyone is absolute good. From happiness and prosperity to health, the message has always been the same and her church, the largest New Thought church in the world and the largest seating-capacity church in Chicago, is living proof of her success.

Johnnie Colemon's healing journey began when she was diagnosed with an incurable disease in the early 1950s and decided to change her own prognosis. Since her recovery, she could only think of one mission in life to share this profound understanding of spiritual Principle with the world through her ministry - and now with her first book, *Open Your Mind and Be Healed*.

With a Foreword by her dear friend and fellow New Thought minister Della Reese, Johnnie Colemon reveals the story of her own remarkable healing, as well as stories of other healings she has witnessed and participated in over the past 40 years.
