This practical manual is an ideal guide for complete beginners to polymer clay and is crammed with easy to follow step-by-step colour photographs covering all the basic techniques for simple caning. Polymer clay is a brightly coloured oven-baked modelling clay and the book shows how you can get started with only a few basic tools that you will probably have already in your home. Learn the best ways to make gorgeous colour blends of clay to create beautiful flower and leaf millefiori canes. Slice the canes and shape them into beads, pendants and earrings. Sue's easy to understand style then takes you through assembling the jewellery by adding findings, making cord necklaces and creating earrings. This is the first book in Sue's series "Polymer Clay for Beginners." More titles are in the works!
