Animals are wise and wonderful teachers. They show us, among other things, what it means to love fully, deeply, and unconditionally; to live without judgment; and to forgive even those who have hurt us most. Anyone who has ever gazed into the soulful eyes of their animal companion and wondered what they were thinking will fall in love with the stories of these dogs and their journey to overcome adversity, sometimes against all odds. In *Finding Forever*, a collection of heartwarming dog stories by author Dobie Houson, you'll meet Gavin, a sensitive German Shepherd who tells the author, an animal communicator, that she has saved his life; and strapping Spartacus, who opens his wounded heart and finds the love of his life on Valentine's Day; pint-sized Shepherds, Patience and Eve, both pregnant, both abandoned, and both on death row, illustrate the power of friendship and its ability to heal us and lift us up when all seems lost; then there's Annika, a gentle bunny-soft shepherd whose message for the human race is that we must all expand our awareness and live life with a higher purpose. These are just a few of the dogs you'll meet and fall in love with in *Finding Forever: The Dogs of Coastal German Shepherd Rescue*, a collection of short stories that chronicles the hope, faith, and courage of twenty-six German Shepherds in search of their forever homes. *Finding Forever* – A heartwarming dog book that is a profound “must read” for dog lovers everywhere.
