New Age Bible Follies: A Critique Of Gail Riplinger'S "New Age Bible Versions" Albert M. McIlhenny
Since its initial publication in 1993, Gail Riplinger's New Age Bible Versions has been a mainstay of the King James Only Movement. Despite the many critiques of its positions, Riplinger's treatise still has an avid following among many Christians who believe her book exposed a vast conspiracy to overthrow the true Biblical witness in the Church of Jesus Christ. In this little booklet, Albert M. McIlhenny examines some of the central accusations made by Riplinger and demonstrates her supposed evidence has largely been manufactured through the dishonest handling of evidence. There should be little doubt when finished that Gail Riplinger is an unreliable source.
