## **Siddhartha (With Annotations)** Herman Hesse

Siddhartha is a novel by Hermann Hesse that deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha. The book, Hesse's ninth novel, was written in German, in a simple, lyrical style.

The story takes place in ancient Nepal. Siddhartha, the son of a Brahmin, decides to leave behind his home in the hopes of gaining illumination by becoming an ascetic. Joined by his best friend, Siddhartha fasts, becomes homeless, renounces all personal possessions, and intensely meditates, eventually seeking and personally speaking with Gautama, the famous Buddha, or Enlightened One. Afterward, both Siddhartha and Govinda acknowledge the elegance of the Buddha's teachings. Although Govinda hastily joins the Buddha's order, Siddhartha does not follow, claiming that the Buddha's philosophy, though supremely wise, does not account for the necessarily distinct experiences of each person. He argues that the individual seeks an absolutely unique and personal meaning that cannot be presented to him by a teacher.

This edition has been formatted for your Kindle, with an active table of contents. This work has also been annotated, with additional information about the book and its author, including an overview, plot, characters, themes, biographical and bibliographical information.
