Sometimes it only takes a moment of inspiration or reassurance to make it through a day or hour that is so painful that it almost seems insurmountable and interminable. That small spark of inspiration can come from the beauty and simple words of a hymn. This book includes chapters on fear, hope and inspiration that highlight our quest for inner peace and understanding. Also, there are inspirational words from hymns for each day of the year and compelling stories about hymns at the beginning of each chapter, as well as notes about some of the hymns. Use the beautiful words from these hymns as part of your daily devotional to comfort yourself and others who may be hurting emotionally, physically, and/or spiritually. Darkness can find the light in moments of inspiration.
