Adventures Among the Indians; Or, Scouting with Gen. Custer William Henry Giles Kingston
William Henry Giles Kingston (1814 – 1880), was an English writer and traveler.

"The scenes described, and nearly all the incidents narrated, in the pages of this book, were a part of my own personal experience of a residence of some thirty years on the frontier, and for which I can vouch as true, except, perhaps, the incidents of the last great battle of the lamented Custer with Sitting Bull, and for these I am indebted to one who was early on the ground after the conflict, and who has obtained from the Indians themselves what I deem to be a very accurate picture of the terrible struggle between the contending forces."
