World of Archangels: How to Meet an Archangel Chaudhary Sufian

World of Archangels is a spiritual masterpiece designed by Archangel Uriel that retraces the self-realization process that allows you to interact with some of the most influential Beings in this Universe. Regardless of who you are, where you come from or what you are doing, this book contains Universal principles that will redefine your spiritual life. The book is filled with Enlightening meditations, Ancient wisdom and uplifting stories of ethereal encounters with the other side. Whether you are a beginner in this field or an old soul wiser than the day, World of Archangels will help you achieve the next level of your spiritual journey.

Throughout history we have been led to believe that there are only 7 primary Chakras within the human body. There are in fact 12 Chakras that act as representatives for the 12 Dimensions that make up our Universal learning environment. World of Archangels delves quite heavily into each of the Dimensions that collectively became known as Creator School. We are each of us developing souls that will one day achieve the 12th Dimension and leave Creation as powerful Creators ourselves. The fundamentals of achieving such a feat revolves around Unconditional Love and expressing ourselves within the extremely heightened existence of Enlightenment. The Archangels are the Beings who convey these teachings down in order to complete the cycle of learning. World of Archangels was written to simply orchestrate such a Divine meeting; the rest is entirely up to Destiny.

The book follows a self-realization process that Archangel Uriel hand-crafted for the sole purpose of awakening souls. Each chapter continues this powerful journey, where by the end of the book, descriptive meditations upon activating and cleansing the Chakras, raising the vibration of the human body, communing with ethereal Beings, psychic self defense, healing and the ability to understand Life beyond normal human perception becomes available. With self-realization in mind, World of Archangels aims to excel the spiritual aspirant onto a pathway of Enlightenment with dedicated meditations to empower the human energetic body beyond the normal limitations.

Here on Earth we may sometimes become bogged down with all manner of disharmonies that cause us to be shackled into a physical life that was effectively set up for us to fail at some point in time. Sometimes we cannot see the light at the end of the tunnel and many times we may even feel burnt by Life itself for no other reason than for the justification of karmic debt. It may be one of the greatest answers to know the meaning of your life and to understand why you are even alive. To genuinely approach an Archangel; these answers may very well be given to you. To live a fulfilling Life, to be free of limitations, to recognize the nature of who you are and where you have come from; this is the result of becoming an awakened soul.
