A Christian Directory : Christian Politics, Volume IV (Illustrated) Richard Baxter

This book is an illustrated version of the original A Christian Directory by Richard Baxter. “I do especially desire you to observe, that the resolving of practical cases of conscience, and the reducing of theoretical knowledge into serious christian practice, and promoting a skilful facility in the faithful exercise of universal obedience, and holiness of heart and life, is the great work of this treatise; and that where I thought it needful, the cases are reduced to express questions and answers. But had I done so by all, many such volumes would have been too little; and therefore I thought the directing way most brief and fit for christian practice; for if you mark them, you will find few directions in the book, which may not pass for the answer of an implied question or case of conscience; and when I have given you the answer in a direction, an ingenious reader can tell what question it is that is answered. And so, many hundred cases are here resolved, especially in the two first parts, which are not interrogatively named.”
