CHRONICLES of DESMONA follows the journey of Desmona from her innocent beginnings during the Spanish Inquisition when she meets Miguel in "Battle for Desmona" into her novice soul collector status as she helps a young 60s song writer in "Helluva Song" until Miguel finally challenges her to get two souls at once in "Twofer." As these two partners of over 500 years work to get the souls of two scientists who are competing for the coveted Pelson Grant, Miguel and Desmona believe they have seen it all but there are surprises and disappointments ahead for everyone.
