Declaration of Transformation - Active Reader's Edition: Grounds for Immediate Constitutional Change James S. Sitnik

This Active Reader's Edition provides space for your own engaged writings. Write supporting/opposing facts, opinions, supplemental ideas, improvements, etc. Mark up this book. We are all in this situation together, so think – and write!! Similar to the Declaration of Independence, this book, The Declaration of Transformation, has listed grievances against our rulers—the Democratic and Republican parties. The mismanagement, corruption and violations against principles of freedom and liberty that have developed over the last 35 years in Washington, D. C. begs the citizens—especially those of the younger generations—to act like the Founding Fathers, and undertake the arrangement and holding of the first constitutional convention since 1787. This book provides compelling reasons to hold a constitutional convention NOW. This book suggests some deep and vital ideas for constitutional amendments that need to be considered by our “new age” founding fathers. It also lists flaws in citizen's thinking and action concerning our nation's financial state and changes that need to take place in our mind sets to keep the Union together. The Declaration of Independence set this nation on a course of freedom and liberty; The Declaration of Transformation is meant to keep us there. The Declaration of Transformation could become the most important, most significant publication concerning self-rule since the Declaration of Independence. It should be on everyone's MUST READ list! SECTIONS OF THE BOOK: * "Hard Evidence", "Grievances against the Democratic and Republican Parties", * "New Age Amendments to the Constitution", * "Grievances Against the Citizens of the United States", * "Changing a Fate Predicted: Forging a New Destiny".
