I used to be a mediocre singer until I learned to really use my voice as the instrument that it is.

Most singers never learn this stuff unless they are trained.

Right here I'm going to give you some of my secrets to use your voice to the fullest.

Including...

- * One of the first things I learned that instantly improved my singing.
- * Why my singing muscles, voice, and range improved greatly when I started doing this simple exercise every day.
- * The one thing it REALLY takes to become a great singer.
- * Why you might be hurting your singing voice (YES, your VOICE!) if you surf the Internet or play video games.
- * How a weird meeting finally destroyed the one thing that had been holding me back from becoming a singing sensation.

...and many more singing secrets to become the next singing phenom!
