This is a short novel approx 40,000 words.

A man avoiding his destiny.

Anthony Santini is happy with life. The former Marine is now working a dream job for NCIS in a dream location: Hawaii. He's watched his cousins and now his siblings fall into the Santini Curse and that is not for him. Not yet. He's happy to play the field and enjoy life. It still doesn't stop his cousin's wife from trying to fix him up.

A woman avoiding love.

Lalani Johnson has had enough heartache to last a lifetime. The professional dancer isn't looking for love and she definitely doesn't need a man like Santini in her life. After the worst blind date in history, she thinks she'll never see him again.

For two people who want to avoid each other, Lalani and Anthony can't seem to achieve that. Each time they meet, Lalani falls a little more under the Santini spell, and for Anthony, he is drawn to the vivacious dancer. But when Anthony senses her hesitation to commit, he starts to formulate a plan. Because when a Santini man decides he's found his mate, there is no stopping him.
