Brightfellow Rikki Ducornet

Praise for Rikki Ducornet:

"Linguistically explosive . . . one of the most interesting American writers around."—*The Nation*

"Ducornet—surrealist, absurdist, pure anarchist at times—is one of our most accomplished writers, adept at seizing on the perfect details and writing with emotion and cool detachment simultaneously. I love her style because it is penetrating and precise but also sensual without being overwrought. You experience a Ducornet novel with all of your senses."—Jeff VanderMeer

A feral boy comes of age on a campus decadent with starched sheets, sweating cocktails, and homemade jams. Stub is the cause of that missing sweater, the pie that disappeared off the cooling rack. Then Stub meets Billy, who takes him in, and Asthma, who enchants him, and all is found, then lost. A fragrant, voluptuous novel of imposture, misplaced affection, and emotional deformity.

An artist and writer, **Rikki Ducornet** has illustrated books by Robert Coover, Jorge Luis Borges, Forrest Gander, and Joanna Howard. Her paintings have been exhibited widely, including, most recently, at the Pierre Menard Gallery in Cambridge, Massachusetts, and the Salvador Allende Museum in Santiago, Chile.

From reader reviews:

Gerri Townsend:

The book Brightfellow can give more knowledge and information about everything you want. So why must we leave the great thing like a book Brightfellow? A number of you have a different opinion about e-book. But one aim this book can give many facts for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or data that you take for that, you are able to give for each other; you are able to share all of these. Book Brightfellow has simple shape nevertheless, you know: it has great and large function for you. You can seem the enormous world by start and read a reserve. So it is very wonderful.

Michael Stanford:

The ability that you get from Brightfellow will be the more deep you excavating the information that hide within the words the more you get considering reading it. It doesn't mean that this book is hard to recognise but Brightfellow giving you buzz feeling of reading. The article author conveys their point in a number of way that can be understood through anyone who read the item because the author of this reserve is well-known enough. This specific book also makes your own vocabulary increase well. Making it easy to understand then can go along, both in printed or e-book style are available. We recommend you for having this kind of Brightfellow instantly.

Sylvia Langley:

Your reading 6th sense will not betray you, why because this Brightfellow guide written by well-known writer we are excited for well how to make book which might be understand by anyone who have read the book. Written with good manner for you, dripping every ideas and producing skill only for eliminate your own personal hunger then you still question Brightfellow as good book not only by the cover but also from the content. This is one reserve that can break don't determine book by its protect, so do you still needing yet another sixth sense to pick this specific!?! Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Curtis Hernandez:

Reading a book being new life style in this yr; every people loves to learn a book. When you examine a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your examine, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, and also soon. The Brightfellow will give you a new experience in reading through a book.
