Child and Adolescent Clinical Psychopharmacology

Wayne Hugo Green

Child and Adolescent Clinical Psychopharmacology Wayne Hugo Green

Written by a preeminent expert in child and adolescent psychopharmacology, the Third Edition of this acclaimed reference is a current and authoritative clinical guide to the pediatric use of psychotropic drugs. This thoroughly revised edition covers the many new medications that have recently been approved, particularly antidepressants/SSRIs and atypical antipsychotics. Updated chapters on older drugs reflect important new studies, significant changes in recommended use, and new findings about off-label uses. Tables and charts throughout the book summarize practical information. A table on the front pages presents DMS-IV diagnoses, appropriate medications, and corresponding page references in the book.
