**Deliverance From Evil: A Novel of the Salem Witch Trials** Frances Hill

**In an era of uncertain survival in the New World, the Devil himself was believed to prey on society--and his witches could be convicted by mere children.**

*Deliverance from Evil* brings to life the Salem witch trials, one of the most uncanny times in our nation's history. Young girls in trances pointed out neighbors, leaders, relatives--over 150 people were arrested, with many hanged for their supposed sins. Frances Hill, author of *A Delusion of Satan*, brings her deep historical and political understanding together with her honed skills as a novelist to produce a picture of the trials both realistic and emotional. She has written an extraordinary and gripping novel of hysteria, power plays, and love in colonial America.
