Ethans Fall: A Choices Novel Dee Palmer

They say once bitten... Ethan Cates is anything but shy. A little time away from his playboy playground has hardened his heart and returning from his travels he has every intention of keeping it that way. This summer his plan is for the three S's Sun, Sea and Surf... It's just not his entire plan. Three more S's... Sex, Sex and more Sex. Ethan loves women. He is just not ever going to love one woman and this summer he is on a mission to prove it. Everyone has a story but not everyone wants to tell their story. Ada is hiding and has no choice but to stay that way because she needs to find someone more than she needs to take her next breath. If she is found and identified she knows she will never get that chance. It's not a life choice. This is self preservation, she's lost too much but she will never give up. For the first time since moving to the small coastal town Ada feels isolated in her opinion of Ethan, the town's favourite prodigal son. He is arrogant, rude and a complete arse to her. But, the first time in forever, Ada is distracted by a man who seems to delight in torturing her, teasing her and playing a game Ada can't afford to lose... A game she can't afford to play.
