Mathematical Reasoning for Elementary School Teachers

Mathematical Reasoning for Elementary School Teachers

Mathematical Reasoning for Elementary Teachers presents the mathematical knowledge needed for teaching, with an emphasis on why future teachers are learning the content as well as when and how they will use it in the classroom. The Sixth Edition has been streamlined throughout to make it easier to focus on the important concepts. The authors continue to make the course relevant for future teachers by adding new features such as questions connected to School Book Pages; enhancing hallmark features such as Responding to Students exercises; and making the text a better study tool through the redesigned Chapter Summaries. For this edition, MyMathLab has been expanded to include new exercises, the integration of IMAP videos, and additional resources to make it easier to assign homework and provide resources to students. To see available supplements that will enliven your course with activities, classroom videos, and professional development for future teachers, visit www.pearsonhighered.com/teachingmath
