**These pages are not meant to be kept in a book!** That's why each design is printed twice--once as a full page to color, and again in a smaller size for you to cut out and make into a greeting card.

**What's 3D about it?** A subtle shadow effect is applied to specific elements to make them pop off the page a little. The shading effect will show through depending on what media is used. Though you may use any media for coloring this book, the 3D shading shows through the best when lighter colors of translucent media is used.

Pages range in difficulty from simple to moderately intricate and are suitable for all ages and skill levels. Coloring pages are single-sided.
