## **Teen Witch Kit** Silver RavenWolf

Here is everything the novice spell-caster needs to practice the Craft of The Wise and be a force for good. Step into the sacred space and discover the secrets of one of the world's oldest mysteries: the art and science of white magick, a gentle, loving practice. The kit contains a beautifully illustrated book of instruction, plus six magickal talismans (including a silver pentacle pendant), salt, and a spell bag. The kit box converts into your own personal altar.

All of the spells were created especially for teens by Silver RavenWolf, one of today's most famous witches and the author of the bestselling *Teen Witch*. The spells address common concerns such as making and keeping friends, tackling homework, and finding true love. With step-by-step instructions and clear magickal symbols, the spells are easy to perform. No special ingredients are required; these spells can be cast using the items in the kit and common household objects.

Created by the mother of four teen witches, the *Teen Witch Kit* is a beginner's guide to the magical world.
