This could be her toughest assignment yet

Having witnessed her father's death in a race-car crash, Joanna Dace can't imagine getting close to anyone who risks his life for sport. But she can write about them. Keeping her professional distance lets her get inside anyone's head without letting that person into her heart. Until she meets her latest subject—professional bull rider Tom Cameron. Tom has a quiet cowboy charm and a darkness beneath his rugged surface. It's difficult to remember all the reasons she should keep her distance, but Jo has to try...unless it's already too late.
