The Southampton Slave Revolt of 1831: A Compilation of Source Material, Including the Full Text of The Confessions of Nat Turner Henry Irving Tragle

Rear cover notes: "This case book on the most significant slave revolt in American history adds an important dimension to the study of slavery in the United States. Tragle has not only collected all the extant primary documents (the trial record, newspaper accounts, letters, diaries and other contemporary sources, most of which are published here for the first time), he made several trips to Southampton County to retrace the steps of the rebels and to interview the present inhabitants, both black and white, on the local traditions surrounding Nat Turner."
