When Princess Anastasia Romanov's life is torn apart by revolution, she and her family are exiled to Siberia. As their captivity stretches out, the threat of death by firing squad grows stronger. But despite the menacing circumstances, a secret romance blossoms between Anastasia and a young guard named Sasha. Will their love prove strong enough to help Anastasia and her family? Inspired by the mysteries surrounding the Romanovs, this is a compelling and romantic vision of what might have been. "[This] magnetic reimagining of Anastasia's story has the potential to reach a broad audience." -Publishers Weekly
