- * The real reason why no one should ever be squeamish about memorization or memorizing all 150 Psalms.
- * Why and how some of the most famous memory skills are applicable to memorizing poetry, especially the Psalms.

These techniques have been used by real Bible students and scholars, most of whom previously considered themselves owners of a "bad memory," to make real strides in learning and memorizing the Psalms.

Don't worry! None of these techniques are rocket science and they certainly don't require brain surgery or a PhD.

Frankly, if you can memorize a short email address or the name of a movie, then you can use this system to memorize poetry as rich and diverse as the Psalms.

Plus, everything you'll learn in this book applies to every other part of the Bible. And with a little

imagination, the system you'll learn is easily transferable to other poetry too.

But there's really no time to lose.
