Opposites attract...

The wealthy and dashing Marquess of Camryn can have any woman he wants, but the charismatic bachelor stuns society by falling for a plain wallflower. When the no-nonsense Charlotte Livingston shows no interest in him, Camryn is even more intrigued and embarks on a relentless campaign to win her over.

Worlds collide...

As a fierce attraction flares between them, a violent machine-breakers rebellion rages across England. Camryn vows to wipe out the rebel movement, unaware that the spinster who has captured his heart, harbors a shocking secret connection to the machine breakers that could destroy him.
