*Long ago, when the world was still quite new, buffaloes used to eat people. It is true? The hair on their chins is hair of the people they use to eat...It is Terrible to think about those times...*

But the Creator saw the people's distress and decreed that a contest be held between all the two-legged and four-legged creatures. Who would win, thundering Buffalo or fleet-footed Man? None of the other animals was fast enough, and before the end, Beaver and Muskrat slipped off into a cool stream, Jack-rabbit hopped off across the plain, and Mole and Gopher tunneled underground (and may still think the race is on).

The winner was decided long ago, in Sioux and Cheyenne legend. Buffalo -- who lost -- agreed to give up eating men for dinner, and thanks to the cunning of a single magpie, Man became the guardian of the natural world.

#### **Carolyn Lew:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Great Race of the Birds and Animals can make you really feel more interested to read.
