The Old Man and His Dreams: A Memoir Leroy H. (Bud) Prescott

This book is a so-called "fictional" memoir; a memoir is a biography or an account of historical events, especially written from personal knowledge; this is "fictional" because I can't remember everything exactly, and because, sometimes, I may just choose to misremember other things. It is, however, basically and mostly, quite real, and very true to my life. ---LHP
