Welcome to Wolf Creek. Here you will find many of your favorite authors, working together as Ford Fargo to weave a complex and textured series of Old West adventures like no one has ever seen. Each author writes from the perspective of his or her own unique character, blended together into a single novel. An innocent field trip goes horribly awry when Wolf Creek's headmaster, Marcus Sublette, and his pupils find themselves in the crossfire of a range war. Ambitious rancher Andrew Rogers will stop at nothing to eliminate his rivals and initiate his broader, nefarious plans –and he has a small army of hired guns to prove it. Can the cowboys of the T-Bar-B, and the lawmen of Wolf Creek, stand in his way, or will the prairie be soaked in blood?
