**Devlin's Defiance** Jake Devlin

**Book Two of the Devlin Quatrology**

"Take out your teeth and let's get naked."

This sequel begins about a week after "The Devlin Deception" ends, with many of the familiar characters (and several new ones) from that novel in multiple new adventures. More action, more erotica, less politics, and more fun than in "The Devlin Deception."

Like that novel, much of the story in this one is set in and around a small beach town in Florida, but also in many, many, MANY other exotic locales around the world.

The author continues to play with the boundaries between fiction, reality and more fiction (like that's a surprise!).

We don't want to say more here, since this book IS a spoiler for that one, and we strongly suggest that you read it before you start in on this one.
