Diane Warner's Complete Book of Wedding Vows is the only book devoted solely to helping you prepare and personalize your vows so they are as unique and special as every other aspect of your wedding.

It is one of the largest compilations of vows ever assembled, a practical user-friendly guide that helps couples compose personalized vows from the heart, vows that express their deep feelings of love and commitment to each other.

Diane Warner's Complete Book of Wedding Vows includes a wide variety of traditional wedding vows from countries and culture around the world, along with hundreds of personalized, nontraditional vows- those for second marriages, marriages of older couples, ceremonies of reaffirmation and wedding involving children from previous marriages.

Vows with religious variations, those inspired by the classics (Elizabeth Barrett Browning, John Keats, Shakespeare and many others), even some devoted exclusively to rings are included. And, for the first time in this new edition: Theme wedding vows (including poignant Hand-Fasting ceremony vows and special vows for a Renaissance wedding) and a number of original vows submitted by Diane's many readers

"At last! A book of wedding vows that runs the gamut from traditional to vows inspired by the classics. If you coordinate weddings, or if you are involved in any way with bridal couples, you will find this book to be a great reference tool."
