Fate Lends a Leg Jax Cordoba

Teenage Olympic running hopeful Calvin Granger arrives in his new town angry about changing schools-again-and sad about leaving his boyfriend behind. Then he meets skittish cyclist Bill Moilet, and soon strange dreams and thoughts of Bill distract Calvin from his misery... until Calvin breaks his leg and his Olympic ambitions crumble.

Cal's injury does have one upside: it brings him closer to Bill, who offers to help him out while he's recovering. But whenever they start to get too close, Bill clams up or disappears. To add to Cal's frustration, living with a full-leg cast proves to be a miserable experience.

When Bill finally begins to open up to Cal, the strange dreams become more vivid-dreams, Cal learns, that they share. Can the boys decipher what their subconscious minds are trying to tell them, or is history doomed to repeat itself?

From reader reviews:

Mildred Parker:

Book is actually written, printed, or highlighted for everything. You can recognize everything you want by a guide. Book has a different type. To be sure that book is important point to bring us around the world. Alongside that you can your reading ability was fluently. A e-book Fate Lends a Leg will make you to possibly be smarter. You can feel considerably more confidence if you can know about anything. But some of you think in which open or reading some sort of book make you bored. It is far from make you fun. Why they might be thought like that? Have you in search of best book or ideal book with you?

Jarred Chisolm:

Information is provisions for people to get better life, information today can get by anyone in everywhere. The information can be a information or any news even restricted. What people must be consider whenever those information which is inside former life are hard to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Fate Lends a Leg as the daily resource information.

Bessie Scudder:

In this period globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The actual book that recommended to you is Fate Lends a Leg this reserve consist a lot of the information in the condition of this world now. That book was represented how do the world has grown up. The language styles that writer make usage of to explain it is easy to understand. The particular writer made some research when he makes this book. Honestly, that is why this book ideal all of you.

James Fitzpatrick:

With this era which is the greater individual or who has ability to do something more are more treasured than other. Do you want to become considered one of it? It is just simple approach to have that. What you should do is just spending your time not very much but quite enough to possess a look at some books. One of the books in the top list in your reading list will be Fate Lends a Leg. This book which can be qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upwards and review this book you can get many advantages.
