Ghost Shadow (Moon Shadow Series Book 4) Maria E Schneider

Shadow is stuck In Between...dead, but not gone. Martin insists she isn't dead and doesn't belong here, but as far as she can tell, the trip was a one-way ticket. She can't even remember her real name or how she ended up here.

In Between is dangerous enough without wasting time peering through the weave at the living and dreaming of what might have been. Of course, if Adriel, the witch, and Lynx, the cat, insist on trying to help her, she can hardly refuse to meet them at the edge. But if magic can't locate her living body, how can one stubborn cat achieve the impossible? Does enough magic really exist in the world to bring her back over?
