Shadow Dwellers J.C. Wilder

Shadow Dwellers - One With the Hunger By J.C. Wilder Book 1 in the Shadow Dweller series. Shai Jordan, fledgling New York journalist, is on the trail of a serial killer. The excitement of her first big assignment turns into terror when she sees an uncanny resemblance between this string of murders and the death of her mother years before the bodies have been drained of blood. Now, in an eerie, sickening development, all the victims bear a disturbing resemblance to Shai, and all signs point to her as the next victim. But no one, not even the police, will believe her or protect her. Out of the darkness comes a man who turns her blood to flame and incites her deepest, darkest desires. Her sensual lover who pulls her into a nighttime world of erotic abandon that threatens not just her career, but her life. As evidence starts to build, Shai must determine whether her dark lover is her savior...or her killer. Note: This title was previously published elsewhere, but has been revised and re-edited.

Shadow Dwellers - Retribution By J.C. Wilder Book 2 in the Shadow Dweller series. After years of torment, Jennifer Beaumont found a lover who should've lasted an eternity. Instead she was forced to walk away, to betray her very heart in order to keep her love safe from her vengeful master, the vampire Mikhail. Brokenhearted, Jen struggles to rebuild her life and the unthinkable happens, throwing her back into the arms of the man she loved and betrayed. Conor MacNaughten has been alive for nine centuries and he's seduced thousands of women, but none captivated him as much as Jennifer the one woman able to resist his sexual advances, the only woman he's ever loved. But her beautiful face hid a black heart and she cast him aside for another. Now, years later, a friend's life is on the line and Valentin asks him to work with the one woman he loathes in order to save another. The game begins with a kidnapping, bringing together two people who can't forgive or forget... Note: This title was previously published elsewhere, but has been extensively revised and re-edited.

From reader reviews:

Christina Love:

As people who live in the particular modest era should be update about what going on or details even knowledge to make these keep up with the era that is certainly always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which you should start with. This Shadow Dwellers is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Amanda Despain:

Your reading sixth sense will not betray you, why because this Shadow Dwellers book written by well-known writer who knows well how to make book that can be understand by anyone who all read the book. Written within good manner for you, dripping every ideas and creating skill only for eliminate your own hunger then you still uncertainty Shadow Dwellers as good book but not only by the cover but also through the content. This is one publication that can break don't assess book by its protect, so do you still needing a different sixth sense to pick this kind of!? Oh come on your examining sixth sense already alerted you so why you have to listening to another sixth sense.

Blake Nixon:

The book untitled Shadow Dwellers contain a lot of information on this. The writer explains your ex idea with easy method. The language is very clear to see all the people, so do not necessarily worry, you can easy to read the idea. The book was written by famous author. The author gives you in the new age of literary works. You can easily read this book because you can keep reading your smart phone, or model, so you can read the book with anywhere and anytime. In a situation you wish to purchase the e-book, you can open up their official web-site and also order it. Have a nice learn.

John Ward:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Shadow Dwellers can make you sense more interested to read.
