Cassidy Holmes doesn't want a "real" job. Buying storage units and selling the contents isn't the easiest way to survive, but she wouldn't have it any other way. She has no desire for a relationship, but when she meets Erica, everything she thought she wanted begins to change.

Erica Jacobs is a career postal worker with odd hours. Who wants to date a woman who's asleep by eight o'clock every night? She yearns for the type of relationship her parents have, but finding the right woman isn't easy.

Cass likes taking a gamble on storage units, but not in her love life. Erica might very well be the one, but Cass is determined to fight it. Every step of the way.
