Learn to use eye contact to persuade and influence!

Discover how to use eye contact to build better relationships

Since humankind's most primitive days, eye contact has been our most effective means of forming relationships in order to ensure our survival. We use it to convey our thoughts, emotions, needs, and desires. We use it to engender trust and gain the support we need to accomplish our goals. It is our clearest and most revealing form of non-verbal communication. Eye Contact explains exactly how to use this powerful tool to form productive relationships in all types of settings.

The techniques outlined in Eye Contact will teach you how to gauge people and situations so you'll know exactly when and how to use eye contact. These techniques are based on decades of research from respected psychologists, and they will teach you to use eye contact to strengthen your family, business, and romantic relationships.

Eye contact makes us all uncomfortable to some degree, but this book will show you how to overcome your self-consciousness gradually, beginning with techniques that involve no socializing at all. Even the most socially anxious among us can learn to use eye contact to persuade and influence others. Now is your chance to learn how, and in refusing to learn the techniques in this book, you pass up the opportunity to gain the trust and support you need from others in order to be successful.
