Imperfect Union: A Vexing Love (Volume 2) Rhonda Hughes

And they lived happily ever after . . . fat chance of that when you've married someone you have known less than a week. Laird and Lady McBain set out to make a life together knowing little of each other and even less about the communication, compromise, and passion needed to make a successful marriage. Laird McBain arose from his wedding bed to a glorious vista: from here on life would only get better, for now he possessed a hoard of gold, the favor of a powerful king, and a luscious wife. Unleashing his long suppressed desires upon his inexperienced bride makes for one satisfying love life – for Laird McBain. Alfreda scrambles to avoid her distasteful wifely duty, for 'duty' never ranks high on Alfreda's to-do list. When he goes too far, she sets out to turn the table on him and control his persistent sexuality, while finding her place as The Lady of the McBains and exploring needs she scarcely knows she has. Complicating matters, there are more people in this relationship than just Laird and Lady McBain. Their lives must be played out amongst the Clan McBain who all have an avid interest in and strong opinions about their laird's personal life. Why not join them and sojourn once again in the Highlands of Scotland in June of 1609? Extend your stay for 20 more summer days with our newlyweds, with an excellent view of the honeymoon.
