1740s France and England. Abandoned to fend for herself at the court of Versailles, Antonia turns to her distant cousin, the all-powerful Duke of Roxton, to help her escape the attentions of a lecherous nobleman. Review

“It is the golden age of French aristocratic life in the court of Louis XV. Beneath the posturing and hedonism lies a seething hotbed of intrigue, deceit, and treachery... characters live and breathe the atmosphere of the time; they are captivating, from the primary players, right down to the smaller, but no less important characters. Ultimately, this is a passionate romance, with added action and adventure, derring-do, and some narrow escapes! I loved it.” — Fiona Ingram: 5 STARS, a *Readers' Favorite* International Book Award Medalist
