Romance by the Book Jo Victor

For a smart woman, Alex is pretty clueless. She wants the truth, but she's looking in the wrong place. She wants love, but she's not looking at all. If only Cam didn't keep disrupting her life, Alex might be able to find some answers. After all, it's not as if Cam is interested in her. Which is probably a good thing, since Cam is even more infuriating than she is charming—and she's got plenty of charm. On the other hand, Rosamund, Cam's ex and Alex's professional rival, is definitely interested in Alex, but can she be trusted? Alex doesn't even realize the historic house she's staying in is haunted. Perhaps a little supernatural help will lead Alex to uncover the secret of a love story hidden for over a century, and to solve the greatest mystery of all—the truth hidden in her own heart.
