We know how difficult it may seem to learn a foreign language from scratch, let alone trying to put all that learning into practice. But what you might not realize is that it's fairly easy to fully incorporate the essentials of a language once you frame that learning into a certain context (for example, a short story). Short stories allow you to put what you've learned so far into practice, allowing you to expand your vocabulary quickly, make sense of ideas, understand new concepts, and overall get a better grasp of the Spanish language.

Short stories work because they eliminate the stress of forcing yourself to learn. Your goal is to simply focus on a single story at a time (they only take a few minutes to read).

The stories consist of multiple genres, including adventure, fantasy, mystery, romance, just to name a few. We wanted these stories to be fun, interesting, and appealing, motivating you to keep on reading to find out what happens next. That's the very best way to learn, don't you think?
