**Strings Attached** Joanne Lipman, Melanie Kupchynsky

**STRINGS ATTACHED** is a powerful memoir about resilience in the face of unspeakable tragedy, an inspiring and poignant tale of how one man transformed his own heartache into a legacy of joy for his students.

His students knew Jerry Kupchynsky as "Mr. K" - the fierce, foot-stomping Ukrainian-born music teacher who rehearsed them until their fingers almost bled, and who made them better than they had any right to be. Away from the classroom, though, life seemed to conspire against him at every turn. **STRINGS ATTACHED** takes you on his remarkable journey, from his childhood on the run in Nazi Germany, to his life in America caring for his disabled wife and their two young daughters, to his search for his younger daughter after she mysteriously disappears - a search that would last for seven years.

His unforgettable story is lyrically told in alternating chapters by two childhood friends who reconnected decades later: journalist Joanne Lipman, his former student; and Chicago Symphony Orchestra violinist Melanie Kupchynsky, his daughter.

Heartbreaking yet ultimately triumphant, **STRINGS ATTACHED** is a testament to the astonishing power of hope -- and a celebration of the profound influence one person can have on the lives of others.
