## **The State of Nursing and Nursing Education in Africa: A Country-By-Country Review**

Nursing is a critical component of health care in nearly every community-regardless of development. And nursing education is often seen as a key indicator of the health of a country's health care system. For markets in developing countries, the forecasts are mixed. The State of Nursing and Nursing Education in Africa: A Country-by-Country Review is the first report of its kind to document nursing, health care, and nursing education in Sub-Saharan countries in Africa.
